The Associate

Commissioner Lee

Dear Associate

We have just now uploaded a 4782 page Court Book to Drop Box. We have sent a link to the Drop Box to you and Amod for the Commission to download the Book. Alternatively, we can arrange for a memory stick with this very large file to be delivered to the Melbourne office of the Commission.

The Court Book has an index, is paginated and complies with the statement requiring its production. I attach a copy of the index. The book was produced with the assistance of the parties. Madeleine

Tiedeman of Australian Business Lawyers particularly assisted with the index. In our office, Melinda Bolton and Jacqui Lowe merged, paginated pages and inserted page numbers into Madeleine's index. Uncharacteristically for this matter we managed to agree. We did take the material we received from parties as PDF folder 'as is.'

We trust this assists the Commission.
