Dear Ingrid

We refer to your email below. We wish to make two final comments in relation to the survey.

Firstly, question 14 lists Australian Business Industrial and the NSW Business Chamber as one option. While we represent both organisations in this matter, they are separate organisations and many businesses will be a member of one or the other (but not both). We respectfully request that they either be separated, or that the passage be rephrased to read 'Australian Business Industrial or the NSW Business Chamber'.

Secondly, while the majority of the survey asks questions of respondents in relation to their 'enterprise', question 14 asks whether their organisation is a member of one of the organisations listed. We respectfully submit that this should be amended to read 'Is your enterprise a member of one or more of the organisations listed below?'.  
enterprise

The appropriate contact person for administration of the survey within our organisation will be myself, on the contact details below.

Yours Sincerely

**Madeleine Tiedeman**
