IN THE FAIR WORK COMMISSION

Four yearly Review of modern awards – Finalisation of Exposure Drafts – (AM2019/17)
Exposure Draft 19 February 2020 – *Rail Industry Award 2010*
Submission of the Australian Rail Tram Bus Industry Union

I refer to the above matter and to the Decision issued by Justice Ross, Deputy President Clancy and Commissioner Bisset on 14 February 2020

The RTBU has no concerns in relation to the variations issued by the Annualised Wage Arrangements Full Bench.

The RTBU would like to note a matter under AM2017/51 – Overtime for Casuals in relation to the *Rail Industry Award (Rail Award)* Exposure draft.

The Decision issued on 8 October 2019 resolved the RTBU outstanding issues to overtime for casuals.¹

This amendment to clause 23.5(c) has not been reflected in the now clause 20.1(c) of the Exposure Draft of 19 February 2020. There is no opposition to this proposed change.

The RTBU seeks for this to be varied in the *Rail Award*

The RTBU has no other outstanding concerns in relation to the 19 February 2020 Exposure Draft of the *Rail Award*

Kind regards
