Please find [attached](#) Report from the parties on the outstanding issues. As detailed in the report, it appears all outstanding issues identified are agreed between the parties.

As a final administrative point we have noticed prior to sending, the cross-references in clause 29.5(b) and (c) will need to be updated to the appropriate reference.

Please let us know if we can provide any further information.

Yours sincerely,

Subject: Re: AM2020/25 - Black Coal Mining Industry Award - Clause 29.4

Good morning Alister,

The employer parties have reviewed your proposed amendments to cl. 29.4(c) of the report and, with one small exception, agree with the changes proposed.

We suggest that the clause references in Note 2 should be to clauses C.1.2, D.1.2, D.2.2, D.2.4, C.1.4 and D.1.4. These include tables which are impacted by the interaction between

the shift and public holiday penalties as confirmed by the Full Bench in the November Decision.

If you are happy with the changes made, please fill in the 'union comments' to the updated Report which includes the proposed amendments to cl. 29.4.

Please note, a few of the 'agreed' sections of the Report are yet to be updated with the 'Union Comments'.

Regards,

Hamish Harrington
