OFFICIAL

Dear Parties,

The Commissioner has received a request from Ai Group for an adjournment of the conference tomorrow to allow the parties to discuss the various proposals to give effect to the decision of the Full Bench.

It is not clear from that correspondence if the request is consented to by all parties.

In the event that the adjournment is consented to the Commissioner will adjourn the conference to **1.30pm Wednesday 9 December 2020** on the proviso that she receives a report of the position reached by the parties from Ai Group as at **4.00pm Monday 7 December 2020**.

The parties should also note that it is the Commission's intention to have the variations finalised as quickly as possible and certainly before the Christmas break.

Should any party advise that the adjournment is **not** consented to the conference will proceed as listed.

Kind regards,

Simon Halstead
