Clause 6.5 inserted in accordance with [PR700605](#).

- (a) A person engaged by a particular employer as a regular casual employee may request that their employment be converted to full-time or part-time employment.
- (b) A **regular casual employee** is a casual employee who has in the preceding period of 12 months worked a pattern of hours on an ongoing basis which, without significant adjustment, the employee could continue to perform as a full-time employee or part-time employee under the provisions of this award.

- (e) Any request under this subclause must be in writing and provided to the employer.
- (f) Where a regular casual employee seeks to convert to full-time or part-time employment, the employer may agree to or refuse the request, but the request may only be refused on reasonable grounds and after there has been consultation with the employee.
- (g) Reasonable grounds for refusal include that:
  - (i) it would require a significant adjustment to the casual employee's hours of work in order for the employee to be engaged as a full-time or part-time employee in accordance with the provisions of this award – that is, the casual employee is not truly a regular casual employee as defined in paragraph (b);
  - (ii) it is known or reasonably foreseeable that the regular casual employee's position will cease to exist within the next 12 months;
  - (iii) it is known or reasonably foreseeable that the hours of work which the regular casual employee is required to perform will be significantly reduced in the next 12 months; or

- (h) For any ground of refusal to be reasonable, it must be based on facts which are known or reasonably foreseeable.

- (i) Where the employer refuses a regular casual employee's request to convert, the employer must provide the casual employee with the employer's reasons for refusal in writing within 21 days of the request being made. If the employee does not accept the employer's refusal, this will constitute a dispute that will be dealt with under the dispute resolution procedure in clause 23. Under that procedure, the employee or the employer may refer the matter to the Fair Work Commission if the dispute cannot be resolved at the workplace level.
- (j) Where it is agreed that a casual employee will have their employment converted to full-time or part-time employment as provided for in this clause, the employer and employee must discuss and record in writing:

- (k) The conversion will take effect from the start of the next pay cycle following such agreement being reached unless otherwise agreed.
- (l) Once a casual employee has converted to full-time or part-time employment, the employee may only revert to casual employment with the written agreement of the employer.
- (m) A casual employee must not be engaged and re-engaged (which includes a refusal to re-engage), or have their hours reduced or varied, in order to avoid any right or obligation under this clause.
- (n) Nothing in this clause obliges a regular casual employee to convert to full-time or part-time employment, nor permits an employer to require a regular casual employee to so convert.
- (o) Nothing in this clause requires an employer to increase the hours of a regular casual employee seeking conversion to full-time or part-time employment.
- (p) An employer must provide a casual employee, whether a regular casual employee or not, with a copy of the provisions of this subclause within the first 12 months of the employee's first engagement to perform work. In respect of casual employees already employed as at 1 October 2018, an employer must provide such employees with a copy of the provisions of this subclause by 1 January 2019.

- (b) However, an employee may only give a notice to the employer under paragraph (a) if:
  - (i) the employee has had an excessive leave accrual for more than 6 months at the time of giving the notice; and

- (c) A notice given by an employee under paragraph (a) must not:
  - (i) if granted, result in the employee's remaining accrued entitlement to paid annual leave being at any time less than 6 weeks when any other paid annual leave arrangements (whether made under clause 15.4, 15.5 or 15.6 or otherwise agreed by the employer and employee) are taken into account; or

Note: An example of the type of agreement required by clause 15.4 is set out at Schedule I. There is no requirement to use the form of agreement set out at Schedule I.

- (c) The employer must keep a copy of any agreement under clause 15.4 as an employee record.

from any money due to the employee on termination an amount equal to the amount that was paid to the employee in respect of any part of the period of annual leave taken in advance to which an entitlement has not been accrued.

## **15.8 Cashing out of annual leave**

- (a) Paid annual leave must not be cashed out except in accordance with an agreement under clause 15.8.

- (c) An employer and an employee may agree in writing to the cashing out of a particular amount of accrued paid annual leave by the employee.
- (d) An agreement under clause 15.8 must state:
  - (i) the amount of leave to be cashed out and the payment to be made to the employee for it; and
  - (ii) the date on which the payment is to be made.
- (e) An agreement under clause 15.8 must be signed by the employer and employee and, if the employee is under 18 years of age, by the employee's parent or guardian.
- (f) The payment must not be less than the amount that would have been payable had the employee taken the leave at the time the payment is made.
- (g) An agreement must not result in the employee's remaining accrued entitlement to paid annual leave being less than 4 weeks.
- (h) The maximum amount of accrued paid annual leave that may be cashed out in any period of 12 months is 2 weeks.
- (i) The employer must keep a copy of any agreement under clause 15.8 as an employee record.

Note 1: Under section 344 of the Fair Work Act, an employer must not exert undue influence or undue pressure on an employee to make, or not make, an agreement under clause 15.8.

### 19A.3 Entitlement to unpaid leave

An employee is entitled to 5 days' unpaid leave to deal with family and domestic violence, as follows:

- (a) the leave is available in full at the start of each 12 month period of the employee's employment; and
- (b) the leave does not accumulate from year to year; and

- (i) must be given to the employer as soon as practicable (which may be a time after the leave has started); and
- (ii) must advise the employer of the period, or expected period, of the leave.

##### **(b) Evidence**

An employee who has given their employer notice of the taking of leave under clause 19A must, if required by the employer, give the employer evidence that would satisfy a reasonable person that the leave is taken for the purpose specified in clause 19A.4.

Note: Depending on the circumstances such evidence may include a document issued by the police service, a court or a family violence support service, or a statutory declaration.

#### **19A.7 Confidentiality**

Note: Information concerning an employee's experience of family and domestic violence is sensitive and if mishandled can have adverse consequences for the employee. Employers should consult with such employees regarding the handling of this information.

- (b) An employee must give the employer notice of termination in accordance with **Table 1—Period of notice** of at least the period specified in column 2 according to the period of continuous service of the employee specified in column 1.

**Table 1—Period of notice**

Column 1	Column 2
Employee's period of continuous service with the employer at the end of the day the notice is given	Period of notice
Not more than 1 year	1 week
More than 1 year but not more than 3 years	2 weeks
More than 3 years but not more than 5 years	3 weeks
More than 5 years	4 weeks

NOTE: The notice of termination required to be given by an employee is the same as that required of an employer except that the employee does not have to give additional notice based on the age of the employee.

- (c) In paragraph (b) **continuous service** has the same meaning as in section 117 of the [Act](#).
- (d) If an employee who is at least 18 years old does not give the period of notice required under paragraph (b), then the employer may deduct from wages due to

the employee under this award an amount that is no more than one week's wages for the employee.

- (f) Any deduction made under paragraph (d) must not be unreasonable in the circumstances.

## **20.2 Job search entitlement**

- (b) The time off under clause 20.2 is to be taken at times that are convenient to the employee after consultation with the employer.

## **21. Redundancy**

**21.1** Redundancy pay is provided for in the [NES](#).

### **21.2 Transfer to lower paid duties**

Where an employee is transferred to lower paid duties by reason of redundancy, the same period of notice must be given as if the employment had been terminated and the employer may, at the employer's option, make payment instead. The payment will be equal to the difference between the former ordinary time rate of pay and the ordinary time rate of pay for the number of weeks of notice still owing.

### **21.3 Employee leaving during notice period**

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The employee is entitled to receive the benefits and payments they would have received under this clause had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

### **21.4 Job search entitlement**

- (a) An employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.
- (b) If the employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment, the employee must, at the request of the employer, produce proof of attendance at an interview or they will not be entitled to payment for the time absent. For this purpose a statutory declaration is sufficient.

**SWS wage assessment agreement** means the document in the form required by the Department of Social Services that records the employee's productive capacity and agreed wage rate

**D.3 Eligibility criteria**

**D.3.1** Employees covered by this schedule will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a disability support pension.

**D.3.2** This schedule does not apply to any existing employee who has a claim against the employer which is subject to the provisions of workers compensation legislation or any provision of this award relating to the rehabilitation of employees who are injured in the course of their employment.

## D.4 Supported wage rates

**D.4.1** Employees to whom this schedule applies will be paid the applicable percentage of the relevant minimum wage according to the following schedule:

Assessed capacity (clause D.5)	Relevant minimum wage
%	%
10	10
20	20
30	30
40	40
50	50
60	60
70	70
80	80
90	90

**D.4.2** Provided that the minimum amount payable must be not less than **\$86** per week.

**D.4.3** Where an employee's assessed capacity is 10%, they must receive a high degree of assistance and support.

## D.5 Assessment of capacity

**D.5.1** For the purpose of establishing the percentage of the relevant minimum wage, the productive capacity of the employee will be assessed in accordance with the Supported Wage System by an approved assessor, having consulted the employer and employee and, if the employee so desires, a union which the employee is eligible to join.

**D.5.2** All assessments made under this schedule must be documented in an SWS wage assessment agreement, and retained by the employer as a time and wages record in accordance with the [Act](#).

## D.6 Lodgement of SWS wage assessment agreement

**D.6.1** All SWS wage assessment agreements under the conditions of this schedule, including the appropriate percentage of the relevant minimum wage to be paid to the employee, must be lodged by the employer with the Fair Work Commission.

**D.6.2** All SWS wage assessment agreements must be agreed and signed by the employee and employer parties to the assessment. Where a union which has an interest in the award is not a party to the assessment, the assessment will be referred by the Fair Work Commission to the union by certified mail and the agreement will take effect unless an objection is notified to the Fair Work Commission within 10 working days.

## **D.7 Review of assessment**

The assessment of the applicable percentage should be subject to annual or more frequent review on the basis of a reasonable request for such a review. The process of review must be in accordance with the procedures for assessing capacity under the supported wage system.

## **D.8 Other terms and conditions of employment**

Where an assessment has been made, the applicable percentage will apply to the relevant minimum wage only. Employees covered by the provisions of this schedule will be entitled to the same terms and conditions of employment as other workers covered by this award on a pro rata basis.

## **D.9 Workplace adjustment**

An employer wishing to employ a person under the provisions of this schedule must take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

## **D.10 Trial period**

**D.10.1** In order for an adequate assessment of the employee's capacity to be made, an employer may employ a person under the provisions of this schedule for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding four weeks) may be needed.

**D.10.2** During that trial period the assessment of capacity will be undertaken and the percentage of the relevant minimum wage for a continuing employment relationship will be determined.

**D.10.3** The minimum amount payable to the employee during the trial period must be no less than \$86 per week.

**D.10.4** Work trials should include induction or training as appropriate to the job being trialled.

**D.10.5** Where the employer and employee wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment will be entered into based on the outcome of assessment under clause D.5.

## Schedule E—School-based Apprentices

- E.1** This schedule applies to school-based apprentices. A school-based apprentice is a person who is undertaking an apprenticeship in accordance with this schedule while also undertaking a course of secondary education.
- E.2** A school-based apprenticeship may be undertaken in the trades covered by this award under a training agreement or contract of training for an apprentice declared or recognised by the relevant State or Territory authority.
- E.3** The relevant minimum wages for full-time junior and adult apprentices provided for in this award, calculated hourly, will apply to school-based apprentices for total hours worked including time deemed to be spent in off-the-job training.
- E.4** For the purposes of clause E.3, where an apprentice is a full-time school student, the time spent in off-the-job training for which the apprentice must be paid is 25% of the actual hours worked each week on-the-job. The wages paid for training time may be averaged over the semester or year.
- E.5** A school-based apprentice must be allowed, over the duration of the apprenticeship, the same amount of time to attend off-the-job training as an equivalent full-time apprentice.
- E.6** For the purposes of this schedule, off-the-job training is structured training delivered by a Registered Training Organisation separate from normal work duties or general supervised practice undertaken on the job.
- E.7** The duration of the apprenticeship must be as specified in the training agreement or contract for each apprentice but must not exceed six years.
- E.8** School-based apprentices progress through the relevant wage scale at the rate of 12 months progression for each two years of employment as an apprentice or at the rate of competency-based progression, if provided for in this award.
- E.9** The apprentice wage scales are based on a standard full-time apprenticeship of four years (unless the apprenticeship is of three years duration) or stages of competency based progression, if provided for in this award. The rate of progression reflects the average rate of skill acquisition expected from the typical combination of work and training for a school-based apprentice undertaking the applicable apprenticeship.
- E.10** If an apprentice converts from school-based to full-time, the successful completion of competencies (if provided for in this award) and all time spent as a full-time apprentice will count for the purposes of progression through the relevant wage scale in addition to the progression achieved as a school-based apprentice.
- E.11** School-based apprentices are entitled pro rata to all of the other conditions in this award.
