Vice President Hatcher's Chambers
Fair Work Commission

Dear Ms Hamberger,

Re. C2013/5139 and C2013/6333 – s.302 – Application for an equal remuneration order

I refer to the Notice of Listing advising of the Hearing in this Matter before a Full Bench on Tuesday 16 May 2017.

The Notice of Listing states that "This listing is in relation to whether the comparator issue should be dealt with at a preliminary hearing and for further directions."

Counsel has asked me to check with the Commission as to whether the consideration of the comparator issue by the Full Bench on Tuesday is limited to the Application by United Voice and the Australian Education Union in their Submissions dated 26 October, 2016? That is, does the hearing only relate to the United Voice / Australian Education Union application to hold a preliminary

hearing to determine whether the C5 and C10 classifications under the Manufacturing and Associated and Occupations Award 2010 are a suitable comparator?

Any clarification on this matter would be appreciated.

I am available on 8202 8900 or [REDACTED] and my email is michael@ieu.asn.au

Regards,

Michael Wright
