Subject: AM2021/54 Casual Award Review

Dear Associate,

I apologise if I am contacting you in error. I am an interested part in the Casual Award Review before Vice President Hatcher and sent a request for an extension to time to file submissions to AMOD but have received no response.

On 3 August, the Commission requested that submissions are to be submitted by interested parties by 4pm 10 August.

I respectfully request for a two-day extension to this time frame. The AMWU is seeking the views of our members on the questions posed by the Commission and needs time to collect these responses.

Please let me know if this extension is possible.

Thank you,
Keely Tobin
