Subject: Review of C14 Rates - (C2019/5259)

Dear Associate,

In a conference before President Ross on 29 November 2019, MEAA stated that it did not wish for the Broadcasting, Recorded Entertainment and Cinemas Award 2010 (the 'award') to be reviewed due to absence of classifications at the C14 (grade 1) level in the award.

In a Statement issued by the Commission on 2 December 2019, MEAA was asked, at paragraph 9, to confirm this position.

In response to this request, I confirm that MEAA do not wish for the award to form part of the Commission's review of C14 classifications.

Yours sincerely,

Matthew Chesher
