Dear Justice Ross,

4 yearly review of modern awards Section 157 proceeding (C2019/5255)

I refer to your statement in the above matter dated 27 August 2019. In response to the questions raised in the statement, the ANMF makes the following submissions:

1. It agrees with the provisional view that the awards with classifications requiring undergraduate degrees should be referred to a separate Full Bench for review;
2. It is appropriate that the *Nurses Award 2010* be included in the priority group;
3. It agrees with the proposal that the review commence after the determination of the IEU's work value application¹ in respect of the *Teachers Award 2010* has been made;
4. It is appropriate for the review to be conducted on the Commission's own motion pursuant to s157 of the Act;
5. The inclusion of the *Nurses Award* in Attachment A is accurate.

Yours sincerely
