Subject: Annual Wage Review - Copied State Awards

Dear Sir/Madam

We write in relation to proceedings associated with the Commission's considerations of the treatment of copied state awards in the 2022-2023 Annual Wage Review and the directions issued by the Fair Work Commission on 13 December 2022.

We act for Busways North West Pty Ltd in relation to the above matter.

In paragraph [4] of the directions issued, the Commission provided interest parties with the opportunity to file reply submissions by 4pm on 3 March 2023.

We write to respectfully request a short extension of time to file our reply materials to 10:00am Monday, 6 March 2023. The reason for our request is in order to allow us to obtain additional instructions in relation to a position raised by the ACTU in their initial submission which we have not yet had the opportunity to do so.

We do not envisage that the interests of any other interested party would be substantially prejudiced if the extension sought is granted.

We sincerely apologise for the late notice of this request and thank the Commission for its consideration of this matter.

Yours faithfully,

Tamsin
